PROFILE

A results-driven professional with more than 10 years of experience in customer support, technical support, and sales, seeking a dynamic role in a growth-oriented organization. I aim to utilize my strong communication, problem-solving, and multitasking skills to enhance customer satisfaction and contribute to the company's success by streamlining operations and improving client retention.

WORK EXPERIENCE

Amazon Tracker, January 2015 - February 2018

Customer Support - Chat & Email

- Managed high-volume customer queries through chat and email, maintaining a 95% customer satisfaction rate.
- Assisted with order tracking and problem resolution, ensuring timely delivery and addressing customer concerns.
- Identified recurring issues and suggested process improvements that reduced response times by 20%.

Indestructible Shoes, June 2018 - July 2021

Customer Support - Chat & Email

- Responded to customer inquiries about product features, sizing, and delivery schedules, enhancing user experience.
- Assisted customers in placing and tracking orders, ensuring smooth transactions and repeat purchases.
- Contributed to team efforts by consistently exceeding monthly KPIs related to customer engagement and retention.

Ghostek, August 2020 - November 2023

Customer Support - Email

- Provided exceptional email-based customer support for an e-commerce store specializing in phone cases and accessories, ensuring prompt and accurate resolutions.
- Assisted customers with inquiries about products, orders, returns, and technical issues, maintaining high satisfaction levels.
- Streamlined communication processes by handling a high volume of emails efficiently, contributing to overall customer retention and loyalty.

The Better Future, February 2023 - October 2025
Sales Representative

- Exceeded sales targets by 15% through effective prospecting, customer engagement, and product knowledge.
- Developed and maintained strong relationships with clients, increasing repeat business and customer loyalty.
- Collaborated with marketing teams to create promotional materials and sales strategies that boosted lead generation.

Madam Muse, April 2026 - Present
Customer Support Specialist | Team Lead

- Oversee team performance and provide guidance to ensure customer support standards, response times, and service quality are consistently maintained.
- Handle customer inquiries via email, resolving product, order, shipping, returns, and other customer-related issues with accuracy and professionalism.
- Identify recurring customer issues and workflow gaps, helping improve support processes, reduce backlog, and ensure complex cases are properly escalated and resolved.
